# DEDICATION

*"Not marble, nor the gilded monuments of princes,  
Shall outlive this powerful rime;  
But you shall shine more bright in these contents  
Than 'unswept stone, besmeared with sluttish time."*

Although Shakespeare in Sonnet 55 wished to immortalize his lover, it serves Paramus High School to immortalize the memory of Anne Knight. This edition of the supplement is dedicated to our classmate, but the real memory of Anne will live forever in our minds.
